Pureva:
Brand & Media Strategy

Launching a Premium Eco-Friendly Disruptor

Aligning product positioning with a targeted digital media rollout.

The Core Positioning

“For environmentally conscious millennials who want to protect their high-quality clothing, Pureva is a premium, plant-based laundry detergent that delivers powerful stain removal without harsh chemicals, ensuring both your wardrobe and the planet are perfectly cared for.”

The Target Consumer: Urban Millennials

Demographics

Age: 25-35 years old.

Location: Tier-1 metro cities.

Income: High earners seeking exceptional quality.

Lifestyle & Wardrobe

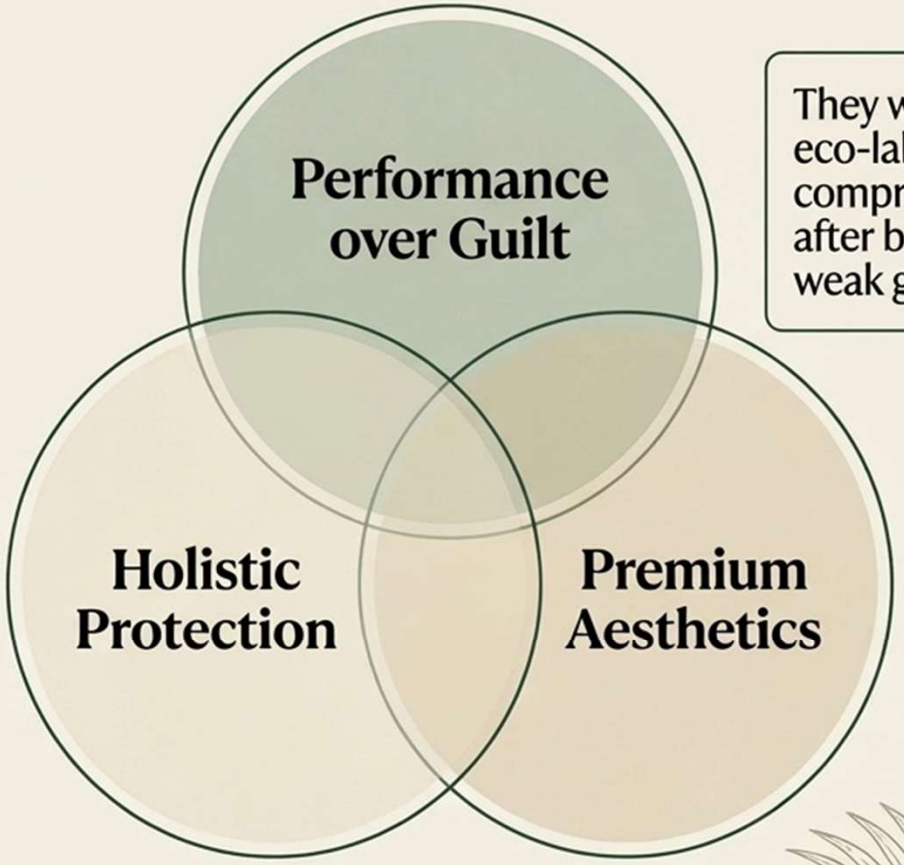

Busy professionals. Treat clothing as a long-term investment, not fast-fashion disposables.

Media Habits

Discover brands via Instagram Reels & YouTube Shorts. Value honest ingredient breakdowns.

Consumer Psychology & Motivations

They want results, not just an eco-label. Refuse to compromise on cleaning power after being disappointed by weak green products.

Driven by safety. Seeking chemical-free formulas to protect sensitive skin, pets, and expensive fabrics from degradation.

Despise ugly plastic bottles. Seeking honest brands with minimalist packaging that feels like a luxury lifestyle choice.

Brand Identity: The Stylish Protector

Who We Are (Brand Personality)

Honest: Transparent about ingredients; absolutely no fake claims.

Soft but Strong: Gentle on fabric and the environment, ruthless on stains.

Classy: Stands out through calm elegance, avoiding aggressive, loud colours.

How We Speak (Tone of Voice)

Kind, not Preachy: Offering solutions, never environmental guilt.

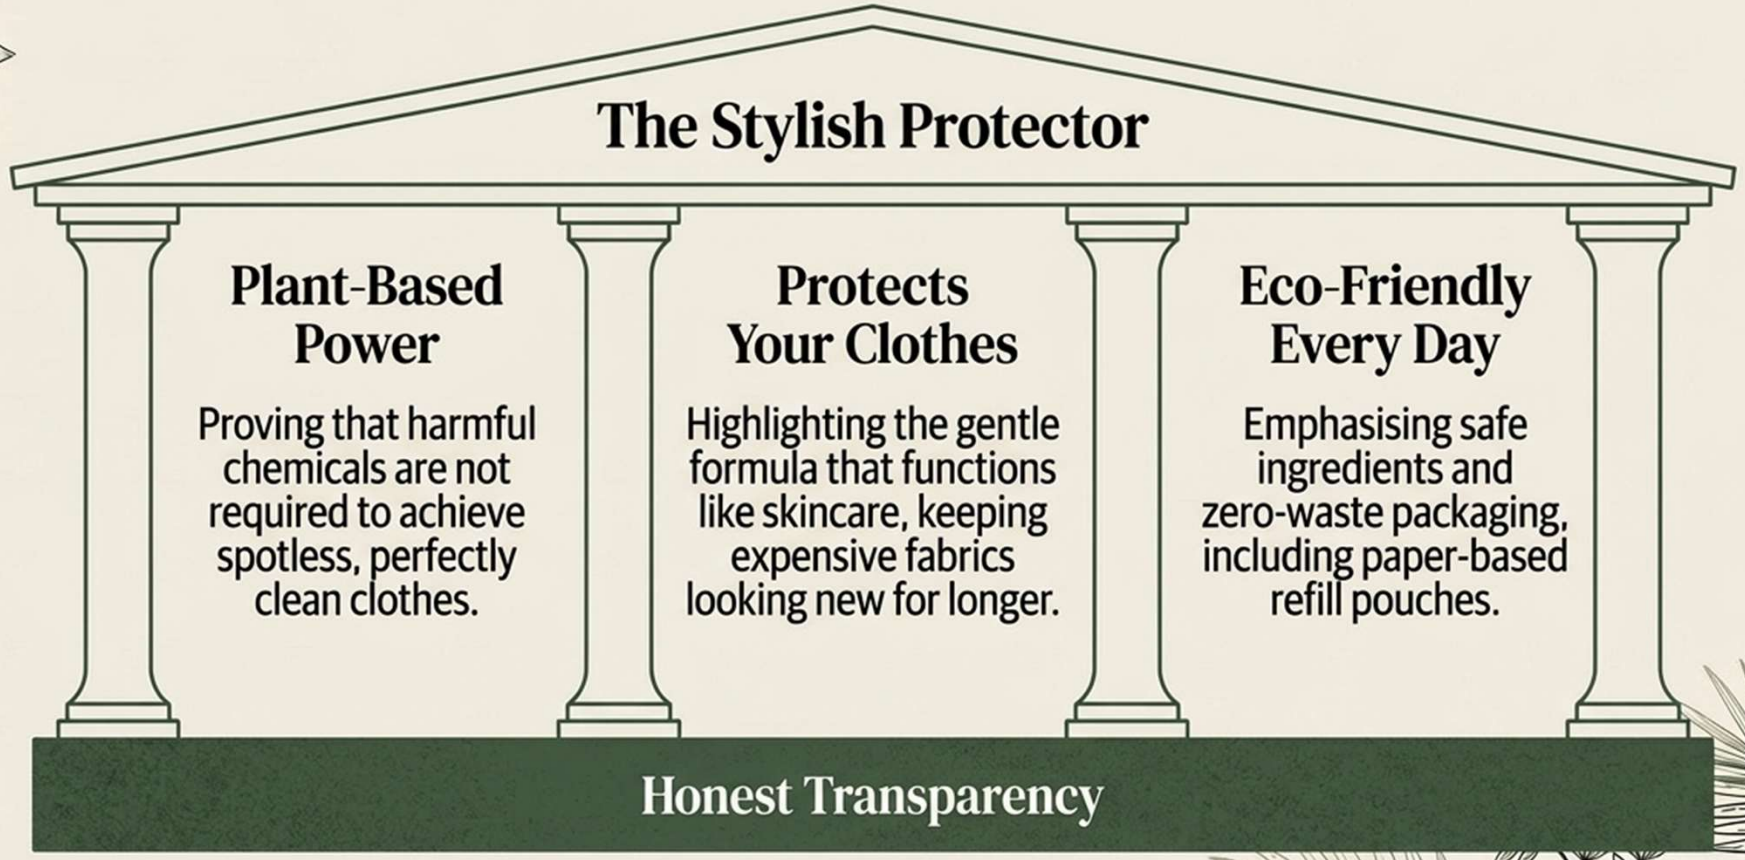

Confident, not Loud: Calm certainty in our efficacy; avoiding desperate BUY NOW tropes.

Simple, not Confusing: Accessible language; zero convoluted scientific jargon.

Core Messaging Architecture

Gemini Notebook

Design as Communication

The Premium Aesthetic: Looks good enough to display, breaking the FMCG habit of hiding ugly plastic detergent bottles.

Zero-Waste Cues: Refillable main bottle and sustainable paper-based refill pouches visually confirm the eco-promise instantly.

Show, Don't Just Tell: The clean, transparent liquid and minimalist labelling silently communicate safety, purity, and honesty.

The Media Engine: Digital-First Disruption

Platform (Where)

100% focus on Instagram Reels and YouTube Shorts.
Explicitly zero TV, radio, or print.
Reaches urban millennials exactly where they spend their time.

Content (How)

Leveraging small and mid-size creators.

Real people showing real stains being removed builds immediate trust and proves efficacy over basic eco-brands.

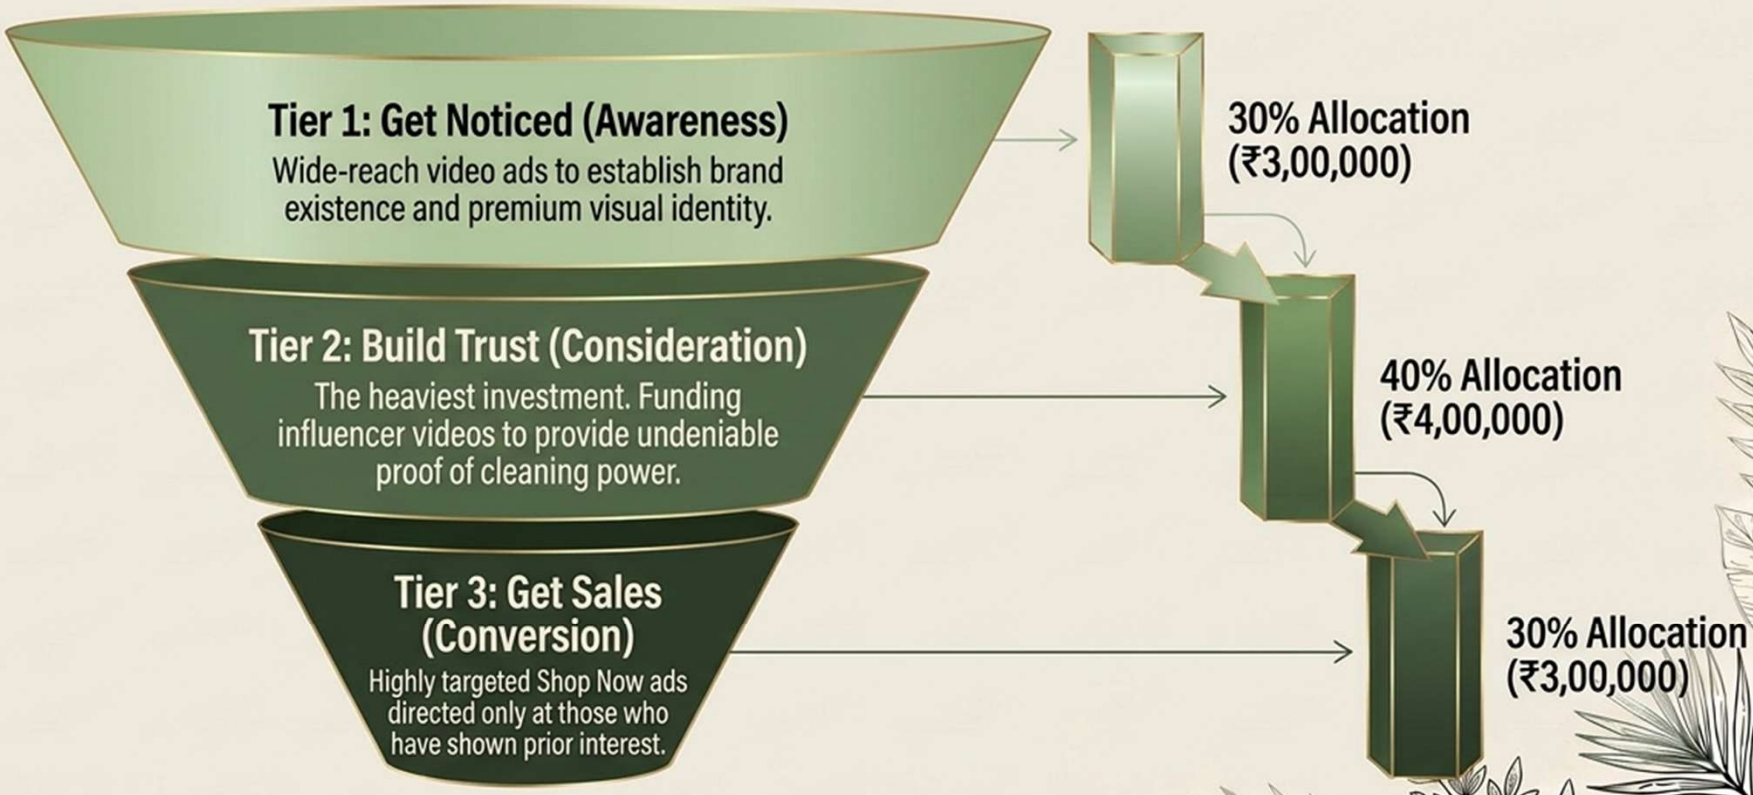

Action (Why)

Frictionless purchasing. Video formats allow us to show off the premium packaging and provide an instant Link in Bio
Bio to go from watching to buying in seconds.

The ₹10 Lakh Media Launch Breakdown

Gemini Notebook

Phase 1: Get Noticed (Awareness)

Objective: Introduce Pureva to the market. Consumers must know this premium hybrid of efficacy and eco-safety exists before they can trust it.

KPI Framework (Measuring the Hook)

Reach & Impressions

Tracking unique viewers and frequency of ad exposure.

Video Completion Rate

Measuring the percentage of viewers who watch entirely, validating the strength of our visual opening hook.

Cost Per 1,000 Views (CPM)

Monitoring efficiency to ensure the top-of-funnel budget is not overspent on initial reach.

Gemini Notebook

Phase 2: Build Trust (Consideration)

Objective: Overcome the weak green product stereotype. Use creator-led videos showing actual stain removal to prove Pureva works.

KPI Framework (Measuring Genuine Interest)

Engagement Rate
Tracking likes, comments, shares, and saves to gauge active interest rather than passive scrolling.

Cost Per Click (CPC)
Evaluating the financial efficiency of driving interested viewers to the Pureva website.

Profile Visits
Measuring how many users actively seek more information about the brand's values and aesthetic on Instagram.

Gemini Notebook

Phase 3: Get Sales (Conversion)

Objective: Convert warmed-up, interested viewers into buyers using first-time discounts and frictionless Shop Now buttons.

KPI Framework (Measuring Bottom-Line Impact)

Cost to Get One Customer (CAC)
The average media spend required to secure a single, actual purchase.

Conversion Rate
The percentage of website visitors who complete a transaction.

Return on Ad Spend (ROAS)
The ultimate metric of campaign viability—the ratio of revenue generated against every ₹1 spent on the platform.
